

IMPROVISE. ADAPT. OVERCOME.

DynaVet is U.S. Veteran Administration verified as a Service Disabled Veteran Owned Small Business (SDVOSB) enterprise offering services under a wide range of IT-related North American Industry Codes (NAICs). DynaVet is led by President David Grinberg, a 13-year veteran of the Marine Corps. We are a small company with big company capabilities and have learned valuable lessons from our large business partners, such as Leidos and IBM. In addition, DynaVet was part of GSA’s mentor protégé program with Lockheed Martin. We take service to our customers very seriously and are committed to working in their best interest. We believe that our success is directly tied to our customer’s success and are committed to customer satisfaction, focused on customer requirements, and attracting and retaining the best professionals.
